PETITION TO ENTER RESPONSE TO OFFICE ACTION FILED ON 6/30/2003

From our discussion today with Examiner Juba concerning the present case, we understand that our June 30-filed Response to the Non-Final Office Action dated May 30, 2003 has not been matched with the present file or entered into it, and accordingly it is believed to be lost at the USPTO. Please enter the attached Response, which was filed originally by facsimile on 6/30/2003. Proof of Applicants' filing of this Response in the form of a facsimile acknowledgement receipt is enclosed immediately after the copy of the original Response, which was responsive to a Non-Final Office action dated May 30, 2003. Further proof is by Applicant's Certificate of Transmission under 37 CFR 1.8. As this paper was lost by the USPTO, Applicants do not believe that any fees are owed with this re-submission. In the event, however, that additional fees are necessary to complete this filing, please deduct only those additional amounts from deposit account no. 13-0480 (Attorney Docket No. 95121961.201001) that are necessary to complete this filing.

Respectfully Submitted,
